We Want a Touchdown

We want a Touchdown,
Hear 'em sing—
We want a touchdown,
That's the thing.
Just let some great big bruiser,
husky and tall,
Carry the ball—in no time
at all—
We'll have a touchdown.
When it's over, let us hear
you make some noise,
C-E-N-T-R-A-L
Let's have a touchdown, boys.

P.H.S. Loyalty Song

Here's to thee, Maroon and Black,
Thy banners herald victory,
Fling them outward, ever upward
For Peoria High!
Loyalty, we now are bringing—
Thousands strong we sing thy praise;
Thy sons and daughters gather here
To cheer for high school days.
For the knowledge we are gaining
Gratefully we strive for thee.
Thou hast set a goal for us—
We seek it earnestly.
Here's to thee, Peoria High!
Forever we will work for thee;
In honor and in love we pledge
Our highest loyalty.

Juniors Like Being Upper-Classmen

"At last we are upper-classmen!" was the refrain which echoed joyfully throughout the class of 1956 early in the fall.

Our freshman year was eventful. Everyone was happy over the success of our homecoming stunt with the circus theme. To the last mat, we pitched enthusiastically into our school's affairs.

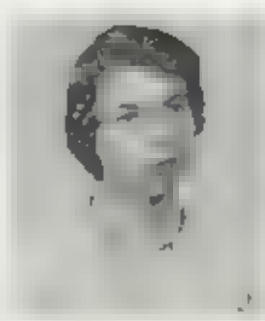

The next year, we thought that we were quite grown up as sophomores. Together, we continued to achieve recognition. Our stunt show that year was "High Nine".

In September of 1954, we entered P.H.S. for our third year. The hard work on our third stunt show, "Snow-White", was rewarded by great acclaim. Another big event came when we chose our class rings. In the spring, we sponsored the Junior Prom very successfully.

As we venture forth into our last year at Peoria High, we hope to fulfill our dreams.

Explore New Interests

Two long, yet short years the class of 1957 has spent at Peoria High. As we watched this year's crop of newcomers, we all agreed that it's good to be sophomores.

Our freshman year was spent in getting to know our school and its inhabitants, both faculty and students. We were sure that P.H.S. was "tops

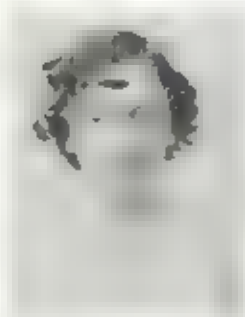

Last November, we portrayed "Alice in Wonderland" for our stunt show. When we were selected as the winners, our joy knew no bounds.

As sophomores, most of us were occupied with two new subjects, geometry and biology. In the latter, a few wizards were honored with the title, "Doctor of Frogology".

Now we are moving on. We sincerely hope that our last two years in these halls of learning will be as happy as the first.

Adjust to P.H.S.

Last fall we entered P.H.S.—four hundred and strong. As we became better acquainted with our numerous fellow classmates, the lost feeling that had arrived with us vanished. Of course we were quick to take advantage of bargains, especially the inexpensive elevator tickets.

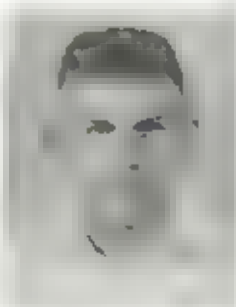

We were surprised to see the many new lockers established for our benefit. At first, we had trouble remembering our combinations over the week-ends. Then we found ourselves on top of the roof or were greeted by a "stacked" pile of books. Time passed and we were "old-timers" at P.H.S.

In November, we turned Roman for our homecoming stunt which was very well received.

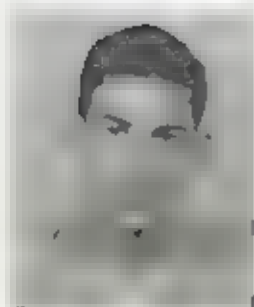

Now at the end of our year, we are proud to say: May our future as the freshmen be bright!

The CREST Staff Works Hard

Every year at the end of the year until the CREST yearbook is published, the CREST staff works hard to create a yearbook that appeals to the whole student body. The business, editorial, and photography staffs spend a lot of time making the yearbook look like a professional publication.

Library Club

Under the leadership of Mr. Stanger, the library staff has been working hard to make our library. The members of this staff work before and after school and during their free periods to help the students find and check out books.

Junior Red Cross

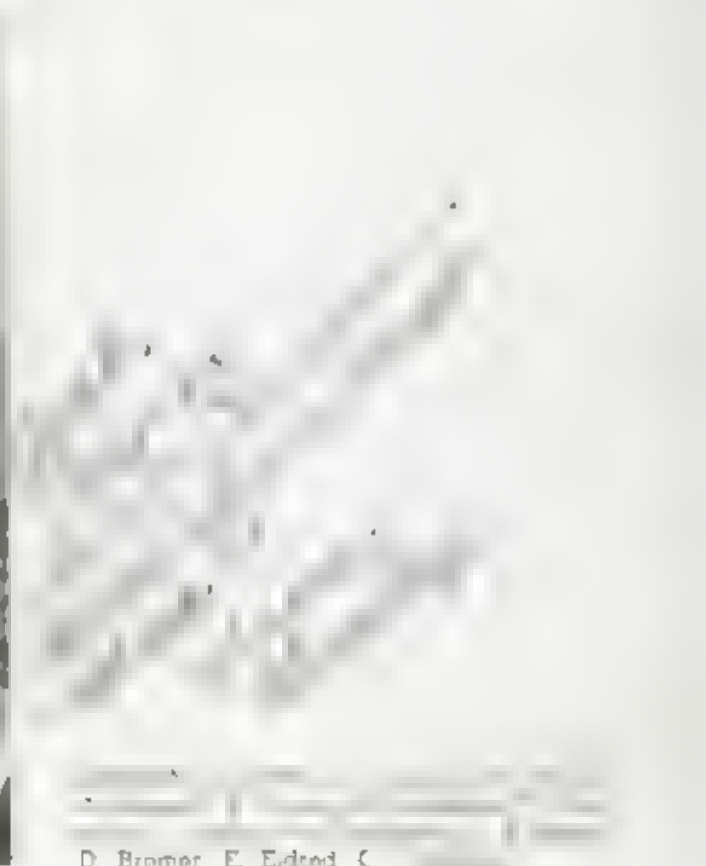

The Junior Red Cross is made up of one representative from each home room. Most of the work is done with the help of the staff and the school nurse. The year-end project is to make and sell buttons for the Red Cross. The Junior Red Cross also helps to raise money for the Red Cross.

President Key Club

Key Club has been very busy this year living up to its name, that of a service club. The "up" and "down" signs on the stairs are getting a new coat of paint, compliments of Key Club. All the programs and the bonfire for Homecoming were planned by the organization. The Key Club members played Santa to many needy children by ringing bells by the Salvation Army kettles. Key Club spent a great deal of time polishing all the trophies and moving them into the new case. In other words Key Club proves daily that it "works" "We Build."

Club is the student's own organization, with its own officers and financial department. Plays are given at the monthly meetings and with their entertainment. The year's play ends with Mrs. Motter and Mrs. Peterson.

Mrs. Peterson and Mrs. Eldal. Much of the work of the Club must be done without their meeting and if the other is necessary to make a play and so by the students themselves. The club gives a training to those interested in drama.

Stage Crew

When an outstanding performance is presented on the stage of Peoria High School, few people stop to think about the men behind the scenes. When the lighting is perfect, the scenery is in place, and the curtains are drawn at the right time, everyone should stop and consider the fact that a group known as the Stage Crew is responsible for this.

Projection Crew

A group of dependable and trust-worthy boys is the Projection Crew. These boys willingly give up their free hours to make our classes and assemblies more interesting by showing slides and movies. The next time you see a movie, why not say a word of "thanks" to the boy who showed the movie.

Dramatic Honor Society

Everyone who participates in a major dramatic production at Peoria High School hopes to be chosen for Dramatic Honor Society. The hours of practice, the sacrifices and the opening night seem minor in comparison with the thrill of being notified of election to this society. These amateur actors and actresses are to be congratulated for outstanding performances.

Quill and Scroll

Each year a number of upperclassmen are elected to membership in Quill and Scroll. These students must rank in the upper one percent of their class and they must have done outstanding journalistic work for their school newspaper or yearbook. For these "unsung heroes" of the school's publications, membership in Quill and Scroll is a just reward for their hard and diligent work.

Sr. National Honor Society

These Seniors are chosen by the faculty on the basis of four things: scholarship, leadership, service, and character. Scholastically they are in the upper third of their class. Leadership includes holding successfully of offices and positions of responsibility. Service consists of the placing of service above personal interests. Last is character, which means high standards of honesty and reliability, a good citizenship record, and co-operation regarding school regulations. Miss Wood, Mrs. Herke, and Mr. Wolpert are the able advisers. It is indeed an honor to be a member of this exclusive group.

Jr. National Honor Society

Membership in Junior National Honor Society is based solely on scholarship. At the beginning of the second semester, Miss Rice, Mr. Whitaker, and Miss McClanathan announce those Sophomores in the upper ten per cent of their class who will become members of the Society. The percentages are determined by the students' grades in their first three semesters in high school. In a most impressive ceremony, the group is initiated into the Society and presented with membership certificates.

Peoria High School Band

Harmony, Melody, and Rhythm Add Up to

Every day's students of Peoria High make up the band. They spend one hour of each school day under the direction of Mr. Stas, who came to Central from the Fort Sheridan Army Band. Our Band plays for home football and basketball games and pep meetings thus helping to spur our teams to victory.

*Girls' Choir Is Made Up
Of Junior Songstresses*

This year, as in previous years, the nine Junior girls participated in the competition. With the knowledge and hard work which brought them a place in the A division, they much looked forward to the prize which they had justly earned. The year's work in Music Extraordinary was also presented in the Senior Workshop with the best results which could be expected even to the Workshop Master.

A Cappella Choir Is The

The first choir that was formed was
at my school where I sang in the choir.
I remember that I sang to A Cappella
with the choir of boys and girls
and they used to go to their school by
their little song book not only in
Florida but throughout the entire state.

Highest Goal In Music

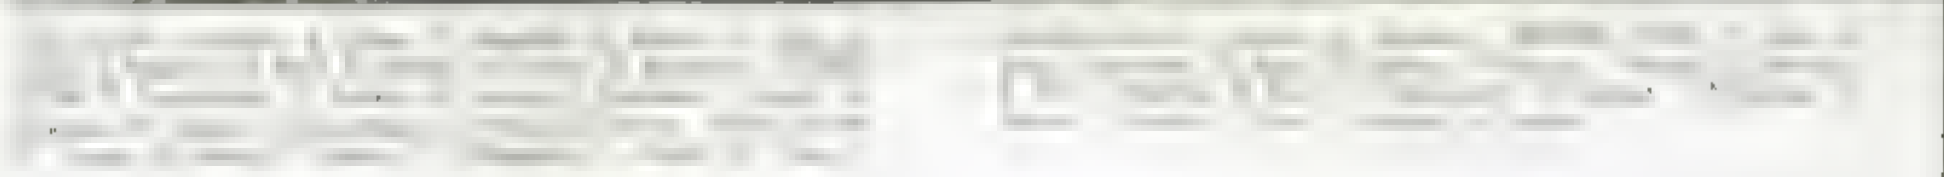

A Cappella has many traditions, including the singing of Christmas Carols through the halls and participating in the Musical Extravaganza. This year in the Extravaganza they sang songs pertaining to the Easter season.

Under the direction of Miss Poshard, A Cappella Choir deserves a prominent place in our review of the past year.

Boys' Choir Performs In New Robes

If you had been in or near Miss Poshard's room any day during first hour, you probably would have heard the sound of boys' voices blending in almost perfect harmony. This was Boys' Choir. This year a number of Junior boys practiced many hours to bring beautiful music not only to Peoria High School, but to various other organizations in Peoria.

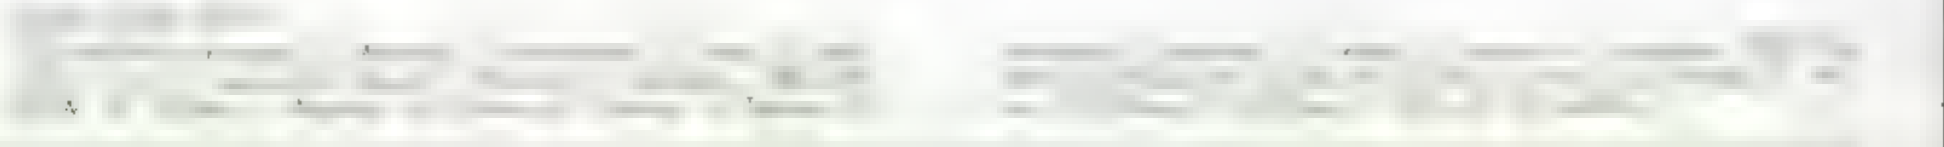

Boys' Glee Club Offers Vocal Entertainment

Every year we have a new group of members. It is not only a pleasure for me to see the boys, but also a chance to see the boys in their new uniforms. The boys are very happy to be in the club and have a lot of fun with it. The purpose of the

group is to provide a place where the boys can sing and have fun. They are very happy to be in the club and have a lot of fun with it. The purpose of the

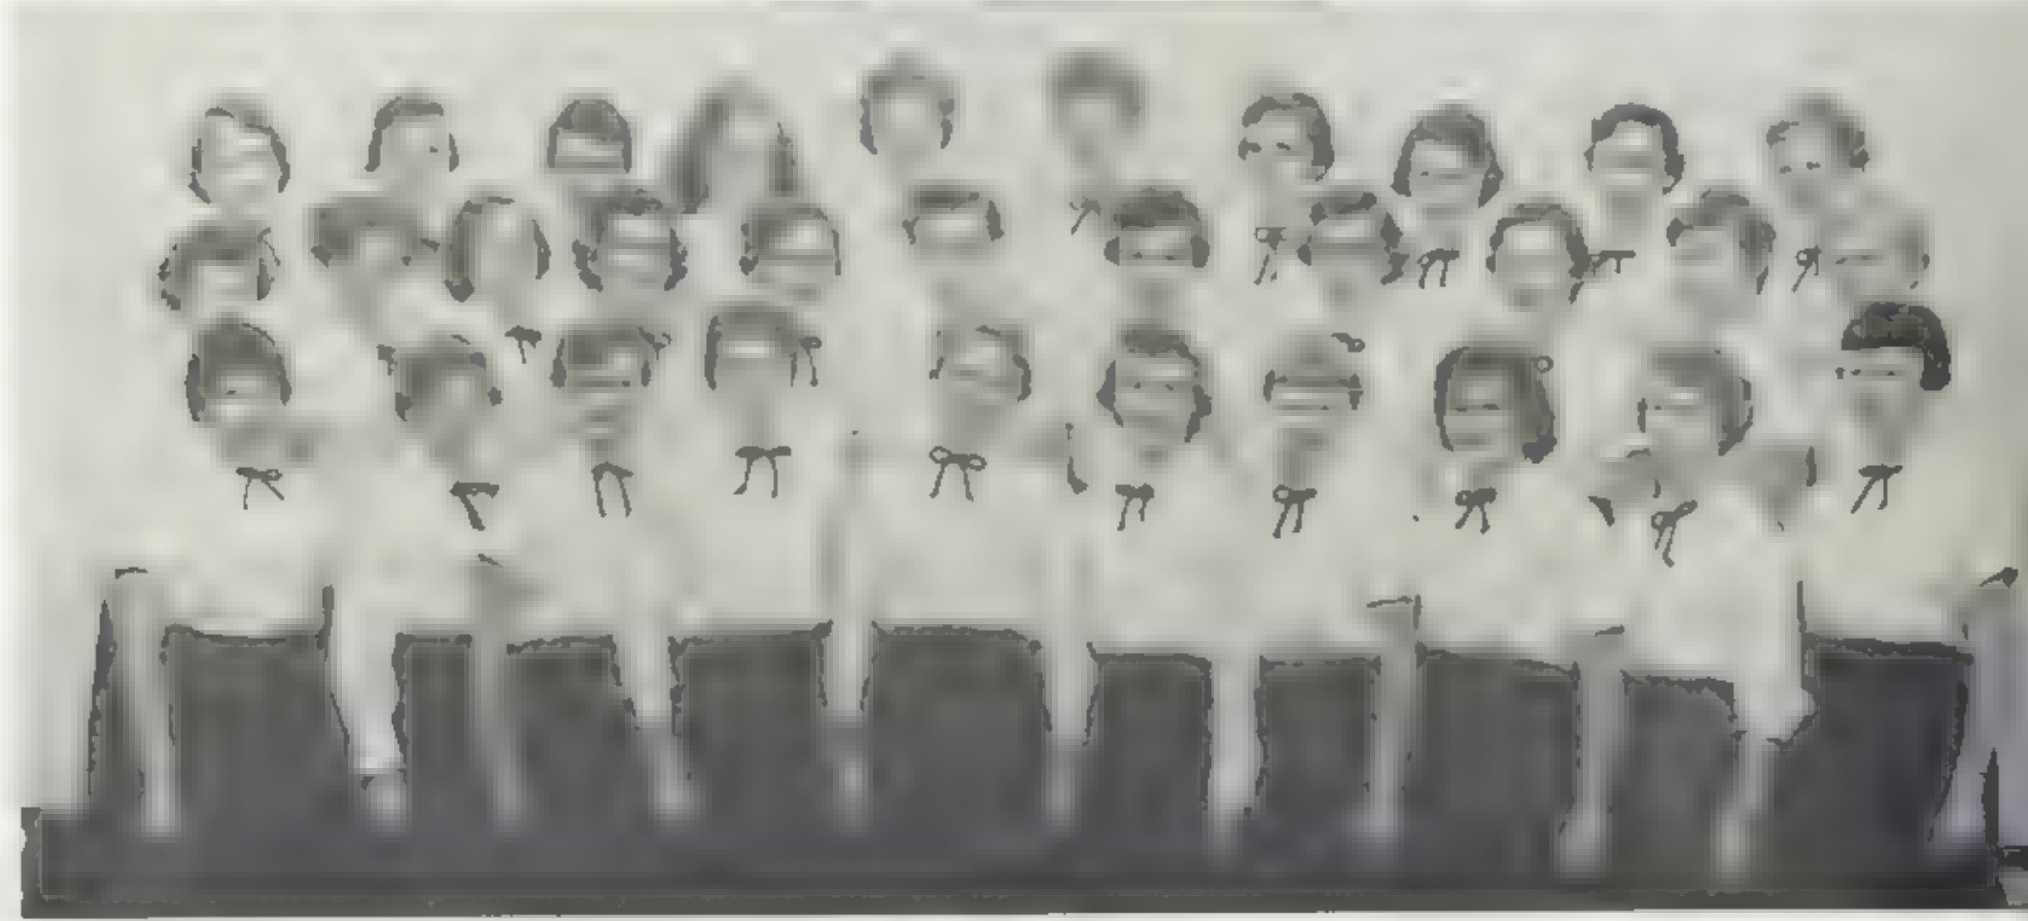

Sophomore Girls Enjoy Girls' Glee Club

This year 10 sophomore girls meet three days a week to sing. This group is Girls' Glee Club. Under the direction of Mrs. Peshard the girls gain a knowledge of music which will

As previously mentioned, the club is open to all who are interested in music. At the meetings, which are held once a month, the members may either perform in some musical way or they may assist others in their performance.

The meetings consist of many diversified things having to do with music. Each year at Christmas time a special program is presented bringing out the religious aspects of Christmas.

The year of the first festival, an open house was held in the school auditorium. An unusual feature of this program was the fact that six members of Work-nop participated. At the end of each year skits and character presentations are held.

German Club Enjoys Real Gemuetlichkeit

One of the most interesting groups at Lincoln High is the German Club. At their meetings every month the members can not only study German but they can enjoy the way of living in the German in class room.

German is a language that is very old. There are three things that are very old. The first is the language, the second is the culture, and the third is the way of living. The very first person of this active group is Miss Ziegler.

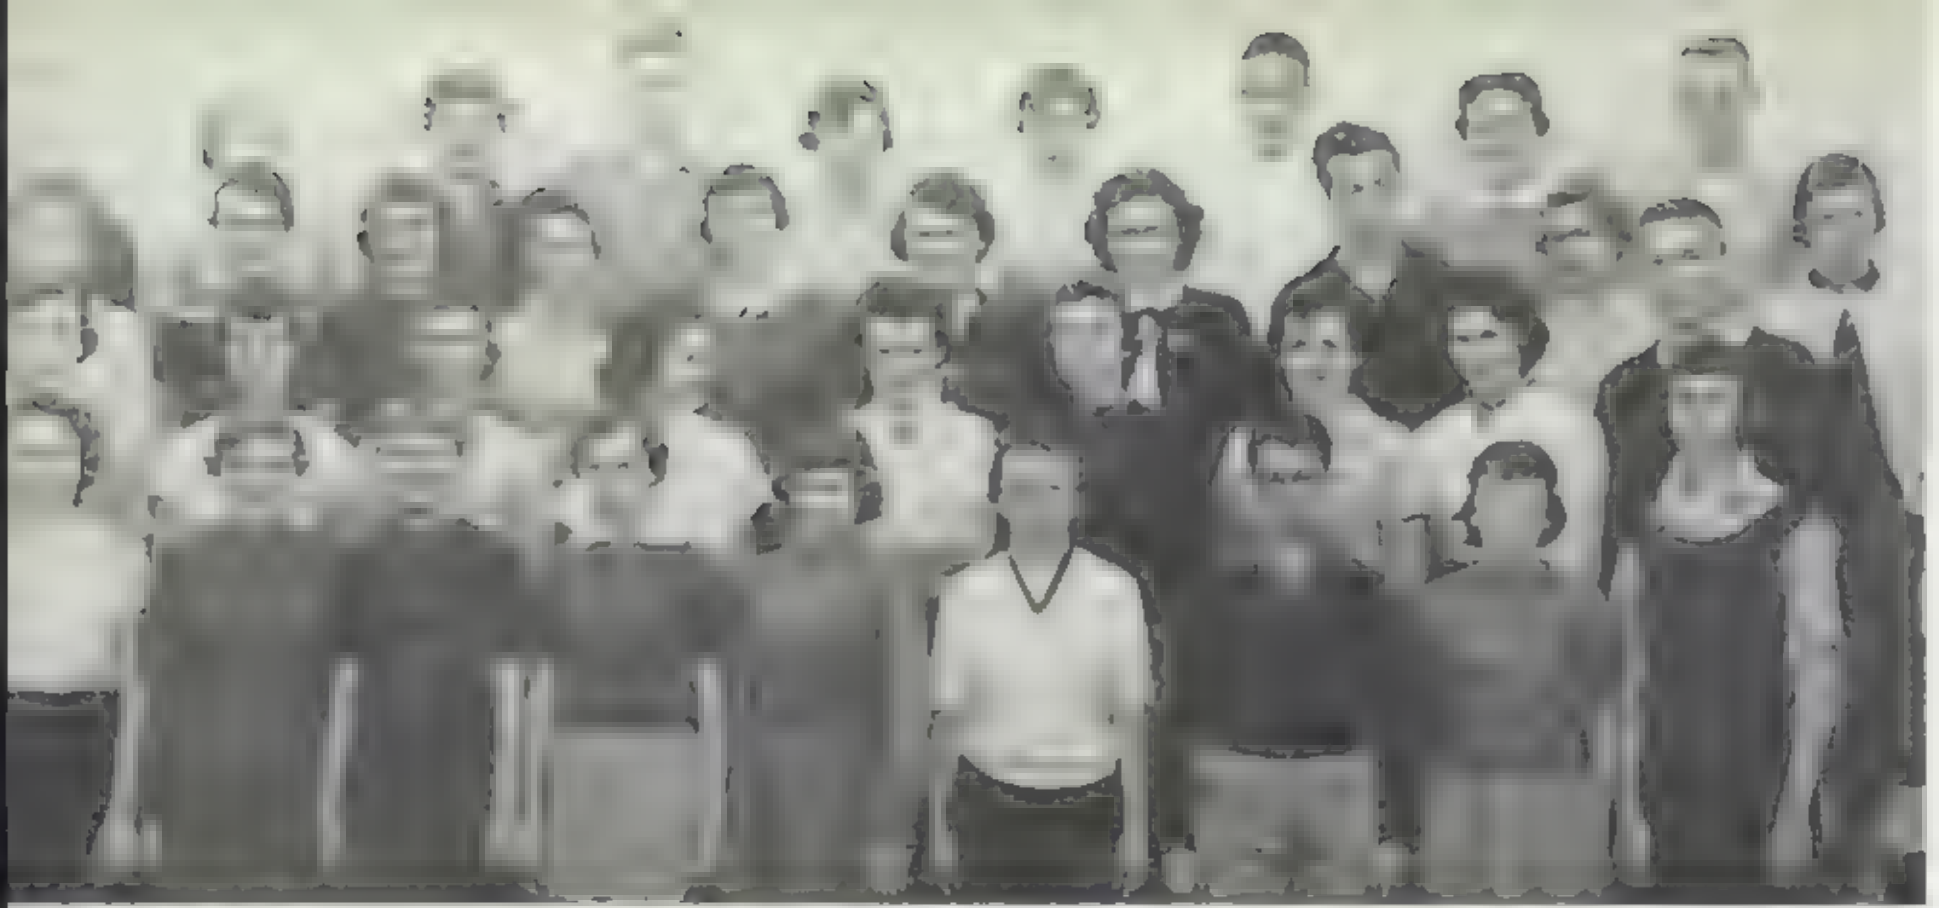

Spanish Club Brings Mexico and Spain to P. H. S.

Each month when Spanish Club members bring the air of Mexico or Spain to P. H. S., they are not only bringing a new atmosphere to the school but also a new way of life. At the meeting this year an especially interesting program was presented about the history of Mexico and its people. Along with their own members,

P. H. S. and the school's Spanish Club takes trips to other schools in the city and state for parties and meetings.

The Spanish Club at P. H. S. is a member of the Latin Federation of Pan-American Schools. They are active and enterprising in their work at the annual Miss G. Convention.

Stamp Club

With the help and assistance of Miss Wilde a Stamp Club was formed this year at Peoria High School. At their meetings the members are given an opportunity to see the other members' stamps and to trade stamps with one another.

Members of the Girls' Athletic Association, 1941-42

For girls interested in sports G.A.A. offers many hours of enjoyment. This organization is composed of girls from all four classes meets after school every Tuesday and Thursday. They participate in such sports as archery, tennis, and basketball. Encouraging friendly competition and good teamwork, tournaments serve as a means for making new friends and offer an opportunity to become skilled in major and minor sports.

Throughout the year these girls add to their fun by giving parties and other social

events. On their social calendar for this year were the Freshman Reception, Christmas party, Parents' Banquet, and Spring Picnic. Members of the Girls' Athletic Association were guests at Limestone for the annual Spring Play Day in April.

Crested plaques are given to girls for their participation in organized sports. Awards are given according to the number of points earned. This year the highest award, a state emblem, was presented to six seniors by the visitors, Mrs. Mason and Mrs. Blair.

"WHAT CONSTITUTES BEING A GOOD CITIZEN?"

How would you answer this question? It came from an eighth grade student as a part of a class citizenship project.

HERE'S THE WAY A CATERPILLAR EXECUTIVE ANSWERED IT:

"To describe a good citizen in a few words is most difficult—much like trying to describe our great country in a few words. However, some qualifications of a good citizen certainly would be:

- A fundamental belief in God.
- A deep sense of honesty and integrity
- Moral character above reproach—the result of personal convictions rather than fear of public opinion.
- An interest in one's community coupled with a willingness to work long and hard for its betterment.
- A true sense of value, recognizing that

there is no such thing as something for nothing. Everything we achieve, everything we get, must be earned

- A love of the freedoms guaranteed by our Constitution and Bill of Rights, and a willingness to protect these freedoms.
- A desire to search for and find the truth and not be swayed by the emotions of others.
- A sense of duty when it comes to exercising our great American privilege of voting, based on thoughtful consideration of the issue or office involved—and the same sense of duty when jury, military or public office responsibilities should be met.

It is difficult indeed to describe citizenship in a few words. I hope these thoughts will be helpful."
